REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

- The claims are allowed because the prior art does not teach nor suggest, in a particle forming method, applying energy to a first set of precursors in a first energy application zone effective to react and form solid particles and second applying energy to a second set of precursors in an additional energy application to react and form solid material about the solid particles from the second set of precursors.

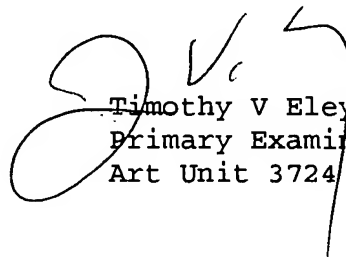

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Timothy V. Eley whose telephone number is 571-272-4506. The examiner can normally be reached on M-F.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Allan N. Shoap can be reached on 571-272-4514. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
